RED CROSS MEMBERS ARE OUT AFTER DUES

The members of the Rifle Club will be waited on in a few days by a committee of ladies from the Red Cross who will collect their Rifle Club dues. For making these collections the Red Cross will receive 10 per cent of the amount collected, the regular commission paid. This is only another instance of the many self-sacrificing ways in which the women of Tonopah are giving up their time to help the Red Cross in every way in their power.

AVIATOR FALLS TO DEATH

(By Associated Press.) SAN ANTONIO, March 20.—Lieutenant Johnson of Bellville was killed today when a Canadian Curtiss plane he was driving fell 1500 feet at Kelly Field.

BASKETBALL TEAMS TRAINING FOR GAMES

JUNIOR RED CROSS WILL ENTERTAIN PUBLIC WITH DOUBLE BILL

A week from tonight at the Airdome the Junior Red Cross will entertain the public with a big double-header, all-star bill of athletics. The first event will be an indoor baseball game between the girls' team of the Junior Red Cross and a picked team of men. And let us tell you, after the exhibition of skillful play by the girls gave last time, they are being very carefully picked! The second event will be a basketball game between the teams of the T. & G. Railroad and the West End. After the challenges which recently passed between these two teams, nothing short of a battle royal is to be expected. They are out for each other's scalps and no mistake. The basketball line up follows: West End team: Stull, Davidovich, Nelson, Nix and Woolford. T. & G. team: Fitzgerald, Budge, Pollard, Bowler, O'Connell and Blaker.

Both these games will be up to the high standard of athletics set and maintained by the high school. When you come to this entertainment you may be sure of witnessing a real contest and a clean-cut fight for victory. At the last game given by the Junior Red Cross everybody had such a good time they are talking about it yet. This one will be still better, because the Junior Red Cross never rests on its laurels but always strives toward a higher and higher standard. If you go you will feel happy for a week. If you don't you will hate yourself for the rest of your life. Which are you going to do?

SLACKER HELD FOR FEDERAL OFFICIALS

ANOTHER GIVEN OPPORTUNITY TO BEAR ARMS FOR HIS UNCLE SAM

Roy Eggleston, who was arrested Sunday at Manhattan on the charge of being a slacker, came over on the mail stage last evening on his own recognizance. He was placed in the county jail. This morning he was taken before the local board and he admitted that he was within the draft age on June 5th last, when he was ordered to register, but he said he "didn't take the government seriously." He probably will, as he was remanded to the custody of the sheriff and will be taken to Reno and delivered over to the federal authorities.

Concedo Marco was in Salt Lake City on June 5th, but he didn't register. He stated last evening that he was born on January 4, 1896, and consequently was within the draft age. He was placed under arrest, but he suddenly decided that it was better to go to war than to jail. Recruiting Officer Pugsley gave him an examination and found him physically fit. Marco suddenly recollected that he had made a mistake in his age and that he wasn't of draft age on June 5th last. There was no easy way of combatting his latest statement as he was born abroad and has no relatives here. He was enlisted into the service. Other slackers are being carefully watched. There is no possibility of any of them escaping under the system that is being perfected by the government. Even at this late hour a slacker has a possibility of escaping severe punishment if he presents himself before a local board or a recruiting officer.

VICTIMS OF DISASTER SHOT PREVIOUS ROUND

In yesterday's Bonanza there appeared a safety first editorial placing upon employees as well as employers the admonition to protect the lives of the workers. It may have been inferred from it that a preceding shift in the Monarch Pittsburg had been careless in counting shots, thus causing the men who were killed to pick into a missed hole. As a matter of fact it was the two men themselves who had drilled, loaded, shot and mucked the preceding round and had prepared to start another round of holes when the disaster occurred.

CLOCK REGISTERS PROGRESS OF DRIVE

YOUNG PEOPLE DOING THEIR SHARE IN GETTING BOOKS FOR SOLDIERS

A huge clock face has been prepared by the manual training pupils to indicate the progress made in the campaign for books for the soldiers and sailors. The circle is divided into four hundred spaces, indicating the number of books asked from Tonopah, and a flag is used to show progress made. At 9 o'clock this morning the flag moved forward one hundred spaces to show the donations brought in at that time, and rested at 234. As this is but the second day after the announcement of the campaign, the response to the request for books is amazing. The young people are certainly doing their share with a right good will and now if the adults will do as well Tonopah will go "over the top" with the usual Tonopah spirit of giving much more than is asked. Just call the high school office and messengers will call at your house or office for the books you wish to donate.

WRESTLING CONTEST AROUSING INTEREST

Interest in the big wrestling contests which are being staged by the Business Men's Athletic Club at the Airdome Friday night is becoming intense and the advance sale of seats is assuming large proportions.

Henry Berne, who meets Victor Ajax in the main event of the evening in a mixed Greco-Roman, Jiu Jitsu contest, two best out of three falls to a finish for a large purse and side bet, has carefully prepared himself for this match, realizing that in Ajax he is meeting the undefeated middleweight champion Greco-Roman wrestler of the world and a man who was known in London, England, as the man of a thousand holds. Berne is known as one of the world's greatest strong men and traveled with the Barnum & Bailey circus for a number of years doing some of the most wonderful feats ever seen in the United States.

In addition to the main contest, Tony Barragage of this city will meet Charles Pine, the champion middleweight of Arizona in a great catch-as-catch-can match, best two out of three falls to a finish with no holds barred.

The Tonopah Military Band will play a concert on the streets and at the Airdome during the show. The doors will open at 7 p. m. and the first contest starts at 8:30 sharp.

AFTER TAX SLACKERS

(By Associated Press.) WASHINGTON, March 20.—Tax slackers who fail to file their income report by April 1 will be prosecuted as vigorously as draft slackers, according to Internal Revenue Commissioner Roper.

WHAT'S WHAT

(By L. L. Mushett.)

Vol. I. Tonopah, March 20, No. 29

After two days' recreation I rise to remark that if they turn the clocks back about the time Monsieur McMurray is leaving Tonopah for Manhattan in his "Big Six" Me will get there before he starts.

Following receipt for Carrot Pudding is offered by Mrs. Kellner and listens fine:

One cup raw grated potatoes; one-half teaspoon soda stirred in spuds.
One cup raw grated carrots.
One cup walnuts.
One cup raisins.
One cup sugar.
One-half cup butter and lard.
Two heaping cups flour.
Cream butter and sugar; add all other ingredients.

I put this in one pound Hills coffee cans and cover, then put in large kettle half full of boiling water, cover it and steam three hours.

The Belgian rabbit came back this morning with a muzzle on. It must have gone home and bit the kid. This war food proposition is developing; some of it would make a glow-worm tackle a side-winder. Bryan's peace dove is even ready to trim the German vulture.

Speaking of gas holists: We have 'em in all sizes and we'll lay 'em down anywhere, anytime and at the right prices.

We can dig up anything you want in the machinery lines and the price will be right. Corrugated iron, pipe, rails, anything and everything.

COURT DISMISSES CHARGE OF MURDER

(By Associated Press.)

SAN FRANCISCO, March 20.—Three charges of murder against Israel Weinberg, a jitney bus driver, an outgrowth of a preparedness day bomb explosion in 1916, were dismissed yesterday by Superior Judge Franklin Griffith upon motion of Edward Cunha, assistant district attorney. Cunha asked for a continuance, which was denied, and the dismissals followed.

Superior Judge George H. Cabanis dismissed two similar charges against Weinberg a month ago upon motion of Louis Ferrari, also an assistant district attorney, who said he could not meet the court's demands that the cases go to trial at that time.

Weinberg was acquitted on one of three murder charges in Judge Frank H. Dunne's superior court. Further action upon his case in that court is not to come up until April 22.

AMUSEMENTS

DUSTIN FARNUM AT THE BUTLER TODAY

An American's sacrifice of life and all it holds dear to him, to save his countrymen and learn the secrets of the German spy system forms the theme of the Fox Special Production, "The Spy," which, with Dustin Farnum, one of the few popular men stars of the screen, plays the role of Mark Quaintance, a man of wealth and social position, who undertakes the hazardous task of gaining a list of the Teutonic spies in the United States. "The Spy" is an expose of German methods of espionage in this country. It combines a mass of thrills—without the superfluous battle scenes which producers are now trying to feed to the public. There are 10,000 enemy secret police lurking and scheming in the United States. Do you know your neighbors? He may be one of the 10,000. The secrets of an empire—involving the peace and happiness of every home in the United States, are brought into the broad light of day through heroic self-sacrifice of a loyal American. America is waiting to see this picture. It is the best of its kind ever produced. One matinee at 1:30 at special matinee prices, 15c and 20c. Two night shows, 7 and 8:30, 20c and 25c; children, 11c.

The Hearst-Pathé News will also be shown, with all notable events, and Government Official War Pictures.

Tomorrow Vivian Martin, in "The Sunset Trail" and Paramount-Bray Cartoon comedy. Friday, pictures of the Tonopah boys leaving to join the 319th Engineers, the Boy Scouts and all previous Tonopah motion pictures of the boys leaving for the front.
